

Annual General Meeting

25th November 2020

Contents

1. President's Report: **Professor Christopher Imray**
2. President Elect's Report: **Mr Michael Jenkins**
3. ASM Committee Report: **Mr Louis Fligelstone**
4. Honorary Secretary's Report: **Ms Sophie Renton**
5. Honorary Treasurer's Report: **Mr Andrew Garnham**
6. Audit and Quality Improvement Committee Report: **Mr Jon Boyle**
7. Education Committee Report: **Mr Keith Jones**
8. Research Committee Report: **Professor Ian Chetter**
9. Circulation Foundation Committee Report: **Miss Rachel Bell**

President's Report VS AGM 2020

NICE Guidelines

COVID 19

-First surge, first recovery, future

Workforce Committee

VS Council

The background is a deep blue gradient with intricate, swirling white and light blue patterns. On the right side, there are large, thick, curved lines in white and red that sweep across the frame, creating a sense of motion and depth.

ASM Chair 2020

Louis Fligelstone

Challenges

Covid 19

Uncertainty – no crystal ball

Risks

- Reputation
- £££
- No CPD/CME for 2020!!

Multiple options

Virtual meeting
Good platform, great dress rehearsals...

Rough start

Team pulling it together

Doing better

Please remember...

**To err is human, but to really
foul things up you need a
computer.**

Paul R. Ehrlich

**To err is human; to
forgive, divine.**

Alexander Pope

Audit and QI Committee Report

Mr Jon Boyle

VS AGM November 2020

Annual Report, surgeon level reports published 12th November

- <https://www.vsqip.org.uk/reports/2020-annual-report/>

Covid-19 Short Report

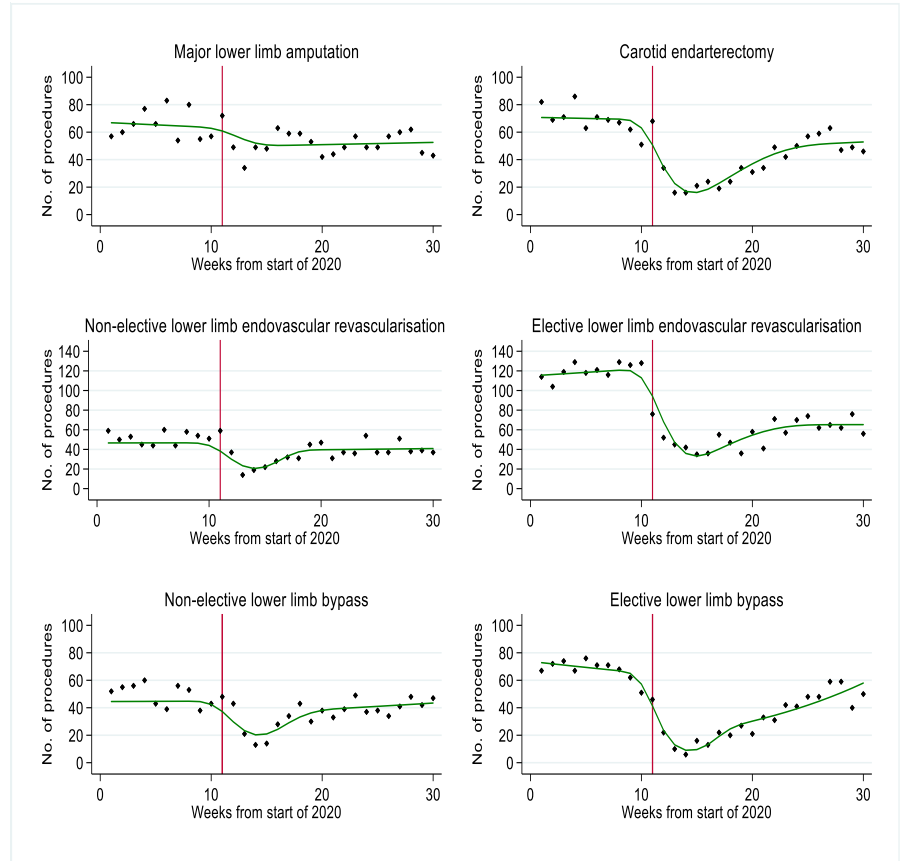

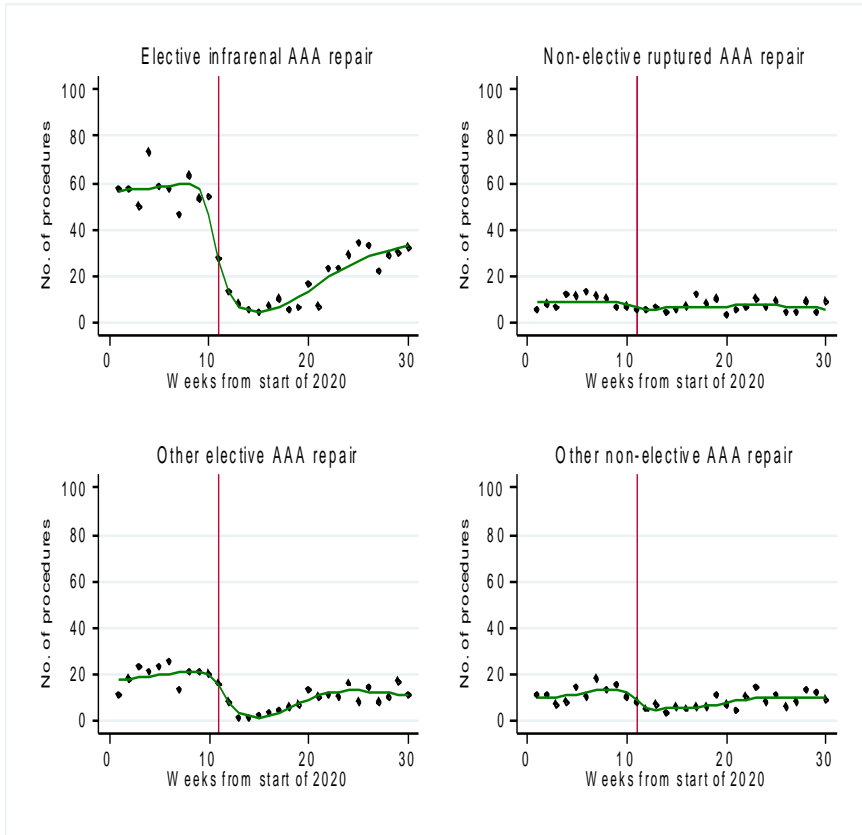

- <https://www.vsqip.org.uk/reports/nvr-2020-short-report-on-covid-19/>

AAA data-set changes to include device information and re-intervention

PAD-QIF

	2017	2018	2019	Total
Audit procedures	4,286	3,771	3,445	11,502
Expected procedures	4,401	4,032	3,674	12,107
Estimated case-ascertainment	97%	94%	94%	95%
% EVAR	68%	64%	61%	64%

Weekly (Sun-Sat) number of procedures in NHS vascular units from 5 January to 1 August 2020, by procedure type. The red line denotes the week of 15-21 March.

Thank members for completing data in real time

Vital data, that helped VS and commissioners plan service restoration and provide advice to members

Recognise concerns around surgeon level outcomes in COVID era and working to mitigate these with NVR team and HQIP

Capture device information at implant

Longer-term outcomes of revision or re-intervention

AAA dataset changes went live July 2020 for initial 6-month pilot

Clinical Care Pathway for
Peripheral Arterial Disease

March 2019

Mr Arun Pherwani

2020 Education and Training Committee report

ASPIRE 1 / 2 June 2020 Education Committee/
Rouleaux/ BSET – Location tba

ASPIRE 3 September 2020 Mr T Beckitt Bristol

ASPIRE 4 June 2020 Mr P Coughlin Cambridge

ASPIRE 5 1-3/04/2020 Miss A Murray Birmingham

ASPIRE 6 June 2020 Mr P Coughlin Cambridge

ASPIRE 7 3-4/02/2020 Prof Ian Chetter Hull

ASPIRE 8 4-5/02/2020 Mr Keith Jones Frimley Park

ASPIRE DIGITAL

Zoom Webinars 8pm – 9.15pm Monday evenings

26 Webinars delivered and recordings available on the VS website

Topics are Supplementary to the ASPIRE courses but directly relate to the curriculum

Large audience numbers throughout and excellent feedback

Collaboration with the BSET education Committee

Very grateful to the time and efforts of all the faculty members

Other courses/events we have managed to run

2nd Vascular Access Course – March 2020

Convenor- Karim El Sakka

Excellent feedback

Zoom meeting for the ST1 trainees

Zoom -FRCS preparation for Non NTNs

So you want to be a Vascular Surgeon

Postponed

Amputation Course

An introduction to Ultrasound Course

2021 Challenges

How to catch up on the postponed ASPIRE?

How to adapt ASPIRE moving forwards?

How to utilise ASPIRE Digital

Support Implementation of the Curriculum

Development of MCR

Provide CESR group educational sessions

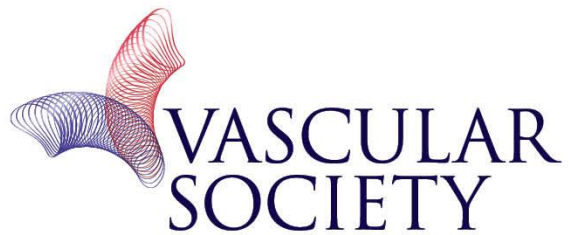

Re-explore Opportunities of post CCT fellowships

Explore opportunities for Vascular Consultant education

Please do feedback your thoughts and opinions to the Committee

We have delayed the committee meeting until after the ASM

**At this time please do look to
maximise all training
opportunities**

The Vascular Society for Great Britain and Ireland

Annual Report – Research Committee

Professor Ian Chetter
Chair of Surgery, HYMS / University of Hull
VSGBI ASM
November 2020

Research committee Annual report 2020

Priority setting projects

- Clinicians – accepted by BJS open
- Patients

1st round identified 133 research questions for prioritization

○ Access e.g. AVF, fistula, dialysis	15 questions
○ Amputation	9 questions
○ Aortic e.g. AAA, Aortic Aneurysm	24 questions
○ Carotid e.g. stroke, TIA	10 questions
○ Diabetic Foot	7 questions
○ PAD Peripheral Arterial Disease, Claudication, CLI Critical Limb Ischaemia	9 questions
○ Venous e.g. DVT, varicose veins	22 questions
○ Wounds e.g. leg ulcer	12 questions
○ Service organization	25 questions

Research committee Annual report 2020

Priority setting projects

- Patients

2nd round opened 05/11/20 - 156 responses to date

70 patients for workshops / PPI groups

Will close 31/12/20

Analysis & results by end Feb 2021

9 Special Interest Groups

- All established with full membership

- Research portfolios - £18m; Applications - £7m

- JLA work; combine clinician & patient priorities using JLA methodology - combined subspeciality priority list

- Develop core outcome sets - ?include on NVR

3 new SSLs appointed

- Matt Bown, Dan Carradice, George Smith

- Translation research, Devices / Technology, Academic training

Research committee Annual report 2020

Fellowships

- RCS Eng / Circulation Foundation

Penny Birmbili – PAD QIF impact on CLI outcomes
2nd fellow due to start 2021

- RCS Ed / Circulation Foundation

Fiona Kerray – Evaluating and optimizing "Human Factors" content in
ASPIRE courses

Vascular Journal

- Survey of UK vascular societies
- 359 responses
- 67% were in support of new journal

Quarterly & on line

Mixed content (BMJ format)

- 54% happy to be reviewers

Circulation Foundation Report

VS AGM Wednesday 25th November

Introduction

- Tricky year for all charities
- Most of our sponsored events postponed
- Vitality half marathon went ahead
- Pushed ahead with changes to the website
- Success with Claudication infographic
- Development of the Ambassadors role
- Launch of The Body Walk
- Appointment of a research fellow.

THE BODY WALK

SIGN UP TODAY

Join us to collectively walk the 60,000 miles of the Arterial Tree

[About Us](#) | [Contact Us](#)

Goals for 2021

- ❖ Get our Ambassadors up & running
- ❖ Get back online with our usual sponsored events
- ❖ Increase the patient education resource on the website
- ❖ Get closer to reaching our target of 60,000 miles for The Body Walk
- ❖ Encourage more people to get involved to make the charity more accessible and useful to our patients & to yourselves
