

Residential Induction Programme for newly appointed Specialty Trainees in Vascular Surgery

23-25 September 2016

Programme

Faculty List

Invited Faculty	
Rachel Barnes	Consultant Vascular Surgeon
Marco Baroni	Consultant Vascular & Endovascular Surgeon York Teaching Hospital NHS Foundation Trust Training Programme Director (Vascular Surgery) Yorkshire & Humber Deanery
Victoria Bassett-Smith	Nuclear Medicine Clinical Scientist, Royal Wolverhampton NHS Trust
Colin Bicknell	Clinical Senior Lecturer and Consultant Vascular Surgeon, Imperial College, London
Dan Carradice	NIHR Clinical Lecturer, Hull York Medical School
Ian Chetter	Professor of Surgery, Hull York Medical School Training Programme Director (Vascular), Yorkshire & Humber Deanery
Mike Clarke	Consultant Vascular Surgeon, Freeman Hospital, Newcastle TPD Northern
Mike Collins	Consultant Radiologist, Royal Wolverhampton NHS Trust
Rob Davies	Consultant Vascular Surgeon, University Hospital of Leicester
Rob Fisher	Consultant Vascular Surgeon, Royal Liverpool Hospital, SAC member
Andrew Garnham	Consultant Vascular Surgeon Royal Wolverhampton NHS Trust, Training Programme Director (Vascular) West Midlands
Stuart Hamilton	Head of SIM Ward, Royal Wolverhampton NHS Trust
Ashok Handa	Consultant Vascular Surgeon Training Programme Director, Oxford/Wessex
Elaine Harper	Head of Clinical Skills/Resuscitation, Royal Wolverhampton NHS Trust
Simon Hobbs	Consultant Vascular Surgeon, Black Country Vascular Unit
Robert Lonsdale	Consultant Vascular Surgeon, Sheffield
Sophie Renton	Consultant Vascular Surgeon, Northwick Park Hospital, SAC Member
Celia V Riga	Consultant Vascular Surgeon & Clinical Senior Lecturer Imperial Vascular Unit
Mike Wall	Consultant Vascular Surgeon, Black Country Vascular Unit

Delegate List

ST3 (Vasc)	Deanery
Group A	
Delegate 1 Dr Omar Ashour	HE KSS
Delegate 2 Dr Mahim Qureshi	London
Delegate 3 Dr Simon Glasgow	London
Delegate 4 Dr Bilal Azhar	London
Delegate 5 Dr Andrew Busuttil	London
Delegate 6 Dr Thomas Hayes	London
Group B	
Delegate 7 Dr Kemal Kemal	HR East Midlands North
Delegate 8 Dr John Houghton	He East Midlands South
Delegate 9 Dr Matthew Popplewell	HE West Midlands
Delegate 10 Dr Khalid Bashar	HE West Midlands
Delegate 11 Dr Virginia Summerour	HE West Midlands
Delegate 12 Dr Danielle Lowry	Wales
Group C	
Delegate 13 Dr Mohamed Abdelhalim	HE North East
Delegate 14 Dr Raveena Ravikumar	HE North East
Delegate 15 Dr Shaneel Patel	HE North East - Mersey
Delegate 16 Dr Assad Khan	HE North West – North West
Delegate 17 Dr Eleanor Atkins	HE North West – North West
Delegate 18 Dr Anne Ewing	Scotland – South East Region
Delegate 19 Dr Kirsten Hamilton	Scotland – West Region
Group D	
Delegate 20 Dr Hosseini Navi	HE East of England – Ipswich
Delegate 21 Dr Andrew Nickinson	HE East of England – King’s Lynn
Delegate 22 Dr Hashem Barakat	HE South West
Delegate 23 Dr Kamran Gaba	HE Wessex and HE Thames Valley
Delegate 24 Dr Melissa Boyer	HE Yorkshire and the Humber
Delegate 25 Dr Emmanuel Katsogridakis	HE North West- North West
Delegate 26 Dr Michael Robinson	Military

Course Programme

Day One: Friday 23 September 2016				
<i>Time</i>	<i>Content</i>	<i>Format</i>	<i>Faculty</i>	<i>Room</i>
0930-1000	Registration and Refreshments		All Faculty	1
1000-1030	Welcome and introduction		Mr Andy Garnham	
1030- 1330	Practical skills session 1 Group A – Open Surgery (Room 7) Group B – Introduction to Ultrasound (Clinical Skills Centre) Group C – Introduction to Endovascular Therapy (Room 4) Group D – Vascular Emergencies & Radiology (Rooms 5 & 6)	Practical		
1330– 1430	Lunch			
1430-1450	Curriculum overview	Lecture	Miss Sophie Renton	1
1430-1530	TPD Meeting			6
1450-1510	ISCP / WBA / Logbook & numbers	Lecture	Miss Sophie Renton	1
1510-1530	Consent	Lecture	Mr Dan Carradice	1
1530-1830	Practical skills session 2 Group B – Open Surgery (Room 7) Group A – Intro to Ultrasound (Clinical Skills Centre) Group D – Introduction to Endovascular Therapy (Room 4) Group C – Vascular Emergencies & Radiology (Rooms 5 & 6)	Practical		
1830– 1900	Reflection and feedback	Group discussion	All	1
2000- 2300	Programme Dinner – Park Hall Hotel			

Day Two: Saturday 24 September 2016				
<i>Time</i>	<i>Content</i>	<i>Format</i>	<i>Faculty</i>	<i>Room</i>
0830-0900	Refreshments			
0900-0930	National Vascular Database	Lecture	Mr J Boyle	
0930-1000	Career planning & academia	Lecture	Prof I Chetter	
1000-1300	Practical skills session 3 Group C – Open Surgery (Room 7) Group D – Intro to Ultrasound (Clinical Skills Centre) Group A – Introduction to Endovascular Therapy (Room 4) Group B – Vascular Emergencies & Radiology (Rooms 5 & 6)	Practical		
1300-1400	Lunch			
1400-1700	Practical skills session 4 Group D – Open Surgery (Room 7) Group C – Intro to Ultrasound (Clinical Skills Centre) Group B – Introduction to Endovascular Therapy (Room 4) Group A – Vascular Emergencies & Radiology (Rooms 5 & 6)	Practical		
1700-1830	Human Factors & Patient Safety	Lecture	Mr A Handa	1
1830-1900	Reflection and feedback	Group discussion		1
2000	Faculty Dinner			

Day Three: Sunday 25 September 2016

<i>Time</i>	<i>Content</i>	<i>Format</i>	<i>Faculty</i>	<i>Room</i>
0900-0930	Refreshments			
0930-1130	Radiation protection training	Lecture	Victoria Basset-Smith	1
1130-1200	Reflection and feedback	Group discussion	All	1
1200-1230	Faculty meeting	Group discussion	Faculty	1
12:30	Finish			

DETAIL OF PRACTICAL SESSIONS

Open Surgery: Room 7

Lead : Miss Sophie Renton,

Mr Robert Lonsdale, Mr John Boyle, Mr Rob Davies, Mr Mike Wall

Content - details to be provided by Lead

Simulation on jigs of:

- arteriotomy closure / patch angioplasty
- end to side anastomosis (Tie down & parachute)
- +/- proximal aortic anastomosis

Introduction to Endovascular Therapy: Room 4

Lead : Mr Colin Bicknell,

Miss Celia Riga, Mr Asif Mahmoud, Mr Marco Baroni, Miss Rachel Barnes

Content = exact details to be provided by Lead

Provisional;

- Simulated arterial access
- Angiomentor (angiography & simple angioplasty)

Introduction to Ultrasound: Clinical Skills Centre

Lead : Professor Ian Chetter,

Mr Dan Carradice, Mr Simon Hobbs, Mr Andy Garnham

Content

- basic science & technology of ultrasound
- B mode ultrasound of AAA
- Basic US assessment of lower limb superficial venous insufficiency

Vascular Emergencies & Radiology: Room 5 and 6

Lead : Dr Mike Collins, Mr Rob Fisher

Open Cases: Mr Ashok Handa, Mr Mike Clarke

Content: exact details to be provided by Lead

Provisional: Case based learning utilising CT & MR
